QUESTIONS AND ANSWERS

1. Question: In the RFP on Page 3 under the Required Proposal Components it states: “All information set forth in Article 6 of the RFP”. However, there is no Article 6. Can you please provide the information?
 - a. The reference to Article 6 is a left over typo from when this document was formatted differently. There is no Article 6 to this document so this instruction can be ignored. As a reminder all proposals should include the following information:

 - ii. 3 professional references
 - iii. Services provided
 - iv. How compensation to your company will be calculated.
2. Question: Can you provide APN numbers for the property?
 - a. Yes we can. This information can be obtained as an excel file. This file will be sent to any entity that submitted a question to this RFP. Anyone else who would like a copy of the APN numbers please contact the individual listed in section 1.1 of the RFP.
